

# International Students Bern

## International Students Bern (ISB)

We are a group of international and Swiss students and we want to connect students from all over the world. For this purpose the ISB organizes numerous events and activities throughout the year. Let's get together, celebrate our differences and build friendships that may last a lifetime!

The ISB is associated with the Bible Group of the University of Berne (BGS). Everybody is welcome regardless of faith or religious conviction.

## International Evenings

Once a month we meet for an international evening including a country presentation, an apéro and lots of time to get to know other Swiss and international students. We meet at 7 pm in the building of the aki (Alpeneggstrasse 5, 3012 Bern).

## ISB@home

We're starting the ISB@home evenings this semester. We will meet at the homes of different people from our group to have a good time together, but also to read biblical texts, talk about faith and life and share our experiences. We will meet at 7 pm in front of the big departure screen at the railway station. For more information visit our website.

## Welcome hospitality programme

This programme will bring you together with a Christian Swiss family. They will invite you for meals or trips, which will give you a great opportunity to get to know Swiss people and culture. If you are interested, find more information on our website, where you can also fill in a form to participate.
